8th Graders visit the University of Washinton campus

*"If I were not a physicist,
I would probably be a
musician. I often think in
music. I live my daydreams
in music. I see my life in
terms of music."*

- Albert Einstein

Check the Lost and Found!

Students, please check the Einstein Lost & Found in the SAC and near the Gym. You may find belongings you didn't even realize you were missing. Jackets, hats, lunchboxes, silverware, shoes, purses—even cell phones and student ID cards! Don't delay—everything that remains on Wednesday, April 29, will be donated to The WORKS for local families in need.

Volunteer Opportunities

The Spring Teacher Appreciation Luncheon will be May 8th. Watch for an email with a link to sign up to contribute items! Stay tuned and mark your calendar of this important date!

The Tale of Snow White

Einstein Drama Club Spring Play

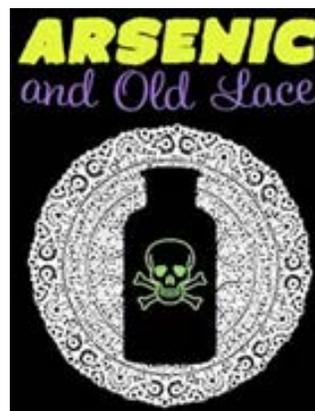

The cast of *The Tale of Snow White*

The Tale of Snow White is not just another Snow White play! Have no fear! This fresh and funny adaptation will make even the most jaded folks laugh out loud as it expands the Brothers Grimm tale with new characters who have always lived between the lines of the classic fairy tale. This version, using a fun frame story of a contemporary mom reading to her bickering children, is loaded with bright new faces and comedic twists. We meet a gaggle of forest animals, friendly Dwarf Villagers, a troupe of ladies-in-waiting with a penchant for limericks, the Huntsman's squabbling conscience and even a nerdy governmental representative from the Department of Natural Resources trying to keep the forest dwellers from ruining the environment!

Math Olympiad

The 17th annual Shoreline Math Olympiad was held this year on "Pi Day" March 14, 2015 at Shoreline Community College. Over 650 Mathletes competed including 26 students from Einstein: Logan Gnanaprogasam, Caroline Gugger, Sophia Keen, Na Eun Kim, Fred Lui, Joe Lynch, Imran Majeed, Nathan Nguyen, Molly Stamey, Jonathan Zhou, Trina Kha, Charlie Miller, Jessica Hwee, Kha-

liun Purevdorj, Deanna Han, Kai Wang, Kathleen Nguyen, Veronica Lee, Maria Babcock, Jamie Forschmiedt, Kolby Hart, Lucas Kleyn, Chris Lawson, Kevin Lee, Emily Nguyen, and Mark Polyakov. The Einstein Math Club is coached by math teacher Garth Riley.

Einstein 7th graders took home 1st and 2nd place for team awards, and 1st place and 4th place for 8th grade teams. Both the 7th and 8th grade First Place teams achieved a perfect score out of the 15 teams registered!

7th grade individual medals were awarded to Jonathan Zhou 1st place (perfect score!), Logan Gnanaprogasam 2nd, Imran Majeed 5th, Fred Lui 6th, Nathan Nguyen 7th, and Caroline Gugger 11th place, out of 55 participants.

8th grade individual medals were awarded to Jamie Forschmiedt 2nd, Charlie Miller 3rd, Chris Lawson 3rd, Maria Babcock 4th, Kevin Lee 5th place and Mark Polyakov 7th place out of 56 participants.

Einstein competed against Kellogg Middle School, Shoreline Christian, Evergreen, St. Luke, St. Mark, and Kings Jr High students.

Science Fiction Writing Contest Winners

Three Einstein students won awards in the EMP's Write Out of This World: Sci-Fi and Fantasy Short Story Contest. Tucker Cornell won 1st place for her story Beyond the Window, Mark Polyakov won 2nd place for Rematerialize, and Jose Gandara won 3rd place for Fame! Click [HERE](#) to read their stories. Congratulations Tucker, Mark and Jose!

Washington State Reflections Finalist

Congratulations to Athena Pentcholov! She is a finalist in the Washington State Reflections photography competition, and her piece "The world would be a better place if there was a cure" will be moving on to the National Reflections competition.

8th Grade AVID Class Selected

Students were selected for next year's 8th Grad AVID class. There was a lot of excitement and a few tears of joy as the group was congratulated by counselor Lauren Paulhamus and Assistant Principal Nyla Fritz. These students made the commitment that they will go to college. They will continue their preparation by taking at least one honors class next year in conjunction with the AVID elective class and teachers' guidance and support. Later this month the selected 7th graders will join the 8th graders who were selected for Shorewood's AVID elective and they will celebrate with a signing party. Thanks everyone for supporting us on our journey to prepare all students to succeed! And thanks to Nyla and Lauren for your efforts to make a difference!

Interested in Joining Einstein Clubs or Afterschool Activities?

An ASB card is required for all students participating in after school activities. They are \$25, and available in the main office before and after school, or during lunch. Please see your counselor if you need help with a scholarship. Club Advisors will be checking to see that all students have an ASB card. Get your card so you are able to attend your favorite Clubs!

Principal Clark's *Comments*

Dear Families,

Please join me and the Einstein Staff for our Annual Spring Open House on Wednesday, April 8th at 6:30 PM. The informal evening is a time to get together and to celebrate Einstein PRIDE. The Einstein PTSA and I will be honoring parents and staff for their outstanding service and leadership at 6:30 in the cafeteria.

The evening will feature Einstein musicians—both choir and jazz band will perform—and Einstein artists will share an interactive art exhibit in the SAC from 7-8:00PM.

The office staff will be selling Einstein spirit-wear and the Library will host their annual book fair. All our teachers will be available for a meet and greet throughout the evening.

Please see the following page for the complete schedule.

We hope you can join us.

Stephanie Clark, Principal

Science Presentation

Science Teacher, Briahna Attebery, and 2 students, gave a presentation at the Shoreline Public Schools Foundation breakfast on Thursday, March 26. They talked about the impact that SPSF grants have on Einstein classrooms, especially the Interactive Science Notebook and the Kids in Medicine Pig Heart Dissection Project and how they enhance student learning and support the EMS science curriculum.

Einstein Safe Route to School – Project Update

Last year, the City of Shoreline approved new pedestrian improvements in and around Einstein. The construction has been postponed until summer when students will be out of school to minimize risk to students. The project design is complete and is scheduled to start approximately 6/22/15 and end approximately 8/28/15.

The project will include:

- Replacing driveways on NW 195th St to match the elevation of the new sidewalk.
- Constructing accessible access from the NW 195th St. sidewalk to the NW corner of the site. Adding curb ramps at the entrance.
- Revising the pedestrian entrance at 3rd Ave. NW (north of driveways) and constructing new curb ramps to replace the existing ones.
- Restriping both crossings on school property at the 3rd Ave. NW side.

More information is available on the [City of Shoreline website](#).

TEST SCHEDULE FOR EINSTEIN STUDENTS

Our spring testing schedule can look quite busy at first glance! One of our goals during the testing window is to try to keep school moving forward as usual with minimal disruption. To accomplish that goal, this year students will be testing in one of their regular classes each testing day and then attending their other normally scheduled classes. For example, if your student has Social Studies 2nd period, he/she will start the ELA Non-Performance Task on Tuesday, April 14th during 2nd period and then finish the test on his/her Social Studies block period day, which is Thursday, April 16th. Your student will attend all other classes as they are regularly scheduled on testing days. The following calendar outlines the testing schedule. The daily schedule (6 periods or block schedule) is a little different the weeks of May 4th and May 18th. The days without shading are non-testing days, with a 6 period schedule. The days shaded green are testing days with a 6 period schedule. The days shaded purple are testing days with a 1-3-5 period block schedule, and the days shaded orange are testing days with a 2-4-6 period block schedule. Each testing day lists the type of test the students will be taking, and in which class the test will be taken.

There are 5 types of tests:

- English / Language Arts – Non-performance Task (ELA – Non Perf.)
- English / Language Arts – Performance Task (ELA – Perf. Task)
- Math – Non-performance Task (Math – Non Perf.)
- Math – Performance Task (Math – Perf. Task)
- Science MSP (8th grade students only)

PTSA President's Message

Anne Alonzi-Aw and Patty Austin, PTSA Co-Presidents

Spring has Sprung!

Spring has just arrived, and with it, some of the most exciting PTSA-sponsored events of the year. All of the 8th graders were able to visit the University of Washington recently, giving them a vision of what their future could hold if they work hard. The 7th Graders were able to dissect hearts and see the importance of working in the medical or engineering fields. Of course, as the weather turns warm, many of our students will have a hard time thinking of anything except summer vacation. As parents, we need to do our best to help them stay focused and finish out the school year strong.

Einstein's Spring Open House on April 8th will also host our second PTSA General Membership meeting of the year. We will vote in our new officers and also honor some very deserving people. You don't want to miss it!

We still need to fill several officer positions for next year. If you are interested in serving on the PTSA board and helping Einstein to become an even better place for our kids, then contact us! Most jobs are not difficult or time-consuming, and we need everyone's help to keep our PTSA strong.

Enjoy the spring sunshine!

Patty and Anne

PTSA Meetings

PTSA meetings are typically on the 2nd Tuesday of the month, although the schedule may change from month to month. Dates will be posted in the newsletter, and also on the PTSA and school websites. Everyone is welcome to attend these meetings. Please join us!

Upcoming meeting dates:

- Tuesday 4/8/2014 @ 6:30 PM – Cafeteria at the Open House
- Tuesday 5/12/15 @ 6:30 PM – Staff Lounge

advocacy news

Suzanne Gugger and Carrie Campbell PTA Legislative Directors

The legislative session is now officially half over. Bills which did not pass out of their house of origin are now likely dead for the remainder of the season. Once a bill passes from the house it originates in, it needs to pass the other legislative body and be signed by the governor in order to become law.

One of the less often talked about concerns with fully funding basic education in Washington State is the lack of adequate facilities in many districts to accommodate the reduced class sizes that the McCleary Decision and the recently passed I-1351 (reduced class size voter initiative) require. The Washington State Senate is offering bipartisan legislation to help address the growing need for elementary, middle and high school facilities and the bill, **SB 6080**, will be heard in the Ways and Means Committee this month. (For March 27 legislative action click [HERE](#).)

With over 2000 bills being offered in Olympia, it can sometimes be difficult to follow. This session, follow the PTA legislative interests with the [Bill Tracker](#), follow us on Twitter [@WSPTALEG](#), or email questions to legconsultant@wastatepta.org. Let us know what your priorities are as we hit our stride in the 2015 Legislative Session.

Enjoy writing and editing?

We are looking for one more volunteer to help with the PTSA newsletter next year. We have someone to design and layout the newsletter. Now we need someone interested in organizing, editing and soliciting articles each month. Very fun job! Work from home! Send an email to Diana and Mary Lynn at einsteinmiddleschoolnews@gmail.com. The newsletter is a joint staff/PTSA monthly publication, and is a great way to keep updated on what is going on at school.

LINES FROM THE LIBRARY

Anne Dame, Librarian

April Events:

Field Trip: We are looking forward to taking our Reading Tech students and our English Language Learners on a field trip to the Shoreline Public Library on April 7th. We will take a tour of the facility, sign up for library cards, and hear spoken word poet Rose McAleese while we are there. A huge shout-out of thanks to our PTSA for granting us the money to make this field trip possible. Look for photos in the next issue of the newsletter.

Book Fair and Open House: The library will be hosting a Book Fair from April 1st to 9th and will be open for business during the Open House on April 8th. Teachers will have wish lists available to supplement their classroom libraries. The book fair will also be available online! We would love to have some parent volunteers help us run the cash registers before school, during lunches, and after school. If you are willing to help, please contact me at anne.dame@shorelineschools.org.

Do you have something to read over spring break?

If not, check out one of these New Titles:

"Ninth Ward" by Jewell Parker Rhodes. Lanesha lives in the 9th ward of New Orleans. Her beloved caretaker

Volunteers needed:

The library needs volunteers to help out with our book fair April 2nd-9th. No experience needed, job training provided! Please contact the librarian at anne.dame@shorelineschools.org if you could help from 8-8:30 am, during lunches, or 3-3:30 pm. We will also need help during the Open House on April 8th from 7-8:30 pm. Even taking just one shift would be greatly appreciated.

Thank you!

predicts the coming of Hurricane Katrina and together they prepare for the onslaught of the terrible storm.

"Sasquatch in the Paint" by Kareem Abdul-Jabar. Theo has always loved science but a recent growth spurt makes everyone think he should be a basketball star. In the midst of science club and basketball, he is accused of stealing so he sets out to find the actual thief.

"World War II Day by Day" by Antony Shaw. An abundance of primary source photos, maps, and graphs plus a day by day description of what happened during WWII make this a fascinating book to read cover to cover or just browse casually.

Thank you! A huge thank you to the Shoreline Foundation for the funding to purchase new informational texts to supplement our Social Studies and Health curricula. I know the 8th grade Social Studies team is excited to use these books to support their CBA (Classroom Based Assessment).

EINSTEIN WRESTLING TEAM

The Einstein wrestling team took home 2nd place Wednesday at the SnoKing District Wrestling Championships. With twenty wrestlers in the tournament the Tigers had seventeen kids place fifth or better. As he has done all season, 8th grader Nick Lotz won his matches in dominating fashion to take first place at 98 pounds and complete a perfect 10-0 season. Joining Lotz with both a championship and an undefeated season was 7th grader Devin Leach at 108 pounds. Leach finished the season 8-0. Also taking home first place medals for Einstein were 7th grader Kody Carpenter at 88 pounds and 8th grader Murad Atayev at 248 pounds. Congratulations on a great season Einstein.

Attention Young Scientists

You won't want to miss the expanded Shoreline STEM Festival on May 9, 2015 at Shoreline Community College, with a student science fair, hands-on STEM fun, robotics demonstrations, and STEM Career expo. You can design and present a project in the science fair, or just come to experience the exhibits and demonstrations. This year will be bigger than ever, with the UW Mobile planetarium, Reptile Man, Boeing engineers, Fred Hutchinson Cancer Research Center, Army Corps of Engineers and more - all on site and ready to share their passion for knowledge and inquiry! The festival is brought to our community with the support of Shoreline Community College, Shoreline Public Schools Foundation, and Shoreline School District.

Details for all can be found at: www.shorelinesciencefair.org. Registration deadline for the science fair is April 3, 2015. Registration and entrance to the festival are all completely FREE!
