8th Grade End of Year Party

June 18, 1:15 – 3:00 PM

We are in the final days of organizing our celebration for our amazing 8th Graders and still need your help. If you would like to send in some sweets, drinks, or come join the fun and help out, please sign up by clicking [HERE](#). We have a fun day planned with a DJ, photo booth, yearbook signing, Kona Ice, goodies, and drinks! Thank You for making this a great celebration for their last days as Einsteinians!

Lost Something?

Check the Lost & Found!

Students, please take a look at the Einstein Lost & Found in the SAC and near the Gym. You may find items you didn't even realize you were missing! Lunchboxes, jackets, silverware, shoes, purses—even student ID cards and cell phones. Don't delay—everything that is left on June 18th will be donated to The Works for local families in need.

Volunteer!

Lots of help needed in June to wrap up the school year—please be generous with your time to make this end of year memorable for our children and manageable for our teachers! Sign up [HERE](#) for yearbook distribution, chaperoning a beach field-trip, or helping on campus at the end of year celebration. As always, thank you for supporting the school that supports our children.

French Class Field Trip

One hundred nine French students – and nine wonderful chaperones – attended the Seattle International Film Festival to see *Belle et Sébastien* at the Uptown Cinema on Queen Anne. After the screening we grabbed pre-ordered boxes of Dick's burgers and shakes and went to Kerry Park for lunch. As you can see, a wonderful time was had by all! A huge MERCI to all the people who helped make this experience possible!

SUMMER

Principal Clark's *Comments*

Dear Einstein Families,

As our school year comes to a close, I want to take the time to thank our amazing parent community. I am so appreciative of the tremendous parental support our school community receives from August through June. I know that parent engagement and partnership at the secondary school is much more challenging to navigate in comparison to your elementary school. But staying involved and informed is so important. I feel very fortunate that the families of Einstein have taken the time to build a relationship with Einstein Middle School for the past couple of years. I want to specifically thank Lori Ramsay and Jamie Kirkwood for their PTSA leadership this year. I also want to thank all parents who served our children by supporting the work of the PTSA. On behalf of the entire staff, we appreciate the countless volunteer hours, donations of funds and baked goods, and most importantly the work you have done with your children.

The adolescents at Einstein are not perfect, but for teenagers they are unusually kind, courteous, creative and good natured. We are so lucky to be able to work with them on a daily basis. The 750 students attending our school this year have grown and changed physically, socially, intellectually and emotionally. I am very proud of each and every one of them and hope that all of our students have the opportunity to find great success and happiness, and will continue to chase their dreams as they become young adults.

The following are some important dates and information to help bring the end of the year come to a smooth conclusion:

- **All library books must be turned in by Friday, June 6th.**
- **Last Day of Activity Buses June 5th**
- **We have a few yearbooks left** - If you would like to reserve a yearbook send \$30 with your child to pay before school, after school and lunch.
- **Students and families PLEASE begin to look for and turn in all property of Einstein Middle School.** Please look under your beds, in closets, and other areas that textbooks, novels, uniforms or equipment may be located.
- **Fines and Fees will be posted June 11th** - Students with documented fines on this date will not receive their yearbooks until they are settled.
- **Please take responsibility for any lost equipment at the front office.**
- **Data Dashboard Update June 9th**
- **Friday June 13th - Honors Field Trip** - Lunch at Richmond Beach: Students who have earned a cumulative 3.5 GPA will be invited to participate through their PRIDE classroom. Would you like to help? email leslie.buchanan@shorelineschools.org
- **Monday, June 16th - 7:00 PM - Einstein's Awards Ceremony:** Students who are receiving awards will receive an invitation for this special night. On this evening the following awards will be presented: Presidents Award, Music, Art and World Language Awards, Perfect Attendance Awards, 3.95 GPA award, 8th Grade Athletes of the Year, and 7th and 8th Grade Students of the Year.
- **Wednesday, June 18th Locker Clean Out**
- **Wednesday, June 18th 8th Grade Yearbook Distribution at Lunch and 8th Grade PRIDE.** We need Parent Volunteers to help with distribution, please email Leslie Buchanan if you can help.
- **Wednesday June 18th - 8th Grade Yearbook Signing PTSA PARTY:** 1:20 - 2:50- 8th Grade Party: Farewell Class of 2019: Music, Pizza, Shaved ICE and More.
- **Thursday, June 19th 7:45 AM - 8:45 AM - 7th Grade Yearbook Distribution:** Parent Volunteers Needed: Please contact leslie.buchanan@shorelineschools.org
- **Thursday, June 19th Campus Day: 12:45 - 2:50:** Yearbook Signing, Inflatables, Dunk your favorite Teacher: Dunk Tank 3 Balls for \$1, Smoothie Sale \$3, Edible School Yard Feast, Movie in the Library, Open Gym, Video Games, Ping Pong and Air Hockey in the Student Activity Center, Meet Team Pronto and the Robot and much more:
- **Friday, June 20th: End of the year assembly** and farewell to our 8th grade class: Students report to first period and are dismissed by 10:15
- **Final Report Cards will be mailed home the last week of June.**

PTSA President's Message

Lori Ramsay and Jamie Kirkwood

Farewell Note

"Every new beginning comes from some other beginnings' end" – Seneca

It is hard to believe how fast the year has gone by and we are at the beginning of new friendships on the horizon. We would like to thank everyone for the amazing support you have given to our students, school, instructors, staff, and PTSA. Without all of your support, we wouldn't have been able to enrich the lives of our children so much this year! This has been an incredible journey for all of us moving forward to high school and will be a new beginning for those entering middle school. It seems like yesterday our children were just starting 7th grade and today they have completed another milestone on their journey.

We are wrapping up the opportunity you have given us to serve as Co-Presidents and are passing the torch to our new Co-Presidents Anne Alonzi-Aw and Patty Austin for the 2014 – 2015 School Year.

Please stop by our PTSA booth at our Back to Business Days on August 20th and 21st to welcome them aboard.

We would like to send out a huge THANK YOU to our wonderful Board for their incredible commitment and support.

There are a few board positions still available for the 2014-2015 school year. We invite you to join this fun and committed group of parents who are working hard to advocate for our children. Please contact us for more details at einsteinpresident@gmail.com.

Please look over the newsletter for upcoming important dates for wrapping up our school year and the beginning of the next one. Please check your email for our end of the year event volunteer opportunities in June. If you are **not** receiving our emails, please contact our wonderful coordinator Allison Taylor to be added to the list to receive the latest news about upcoming events and volunteer opportunities. Even if you can't volunteer, you'll know what is on the calendar in between our joint school/PTSA newsletters. Email her at einsteinvolunteers@gmail.com.

We are celebrating our amazing WEB Leaders for all the dedication and support they have provided to our 7th graders and the mentoring of our new WEB Leaders for the 2014-2015 school year. If you can come out and help or would like to donate goodies on June 17th, please contact our fabulous WEB Leader Program Instructor Cathy Haskin at cathy.haskins@shorelineschools.org.

We have our 8th Grade Celebration Party coming up on June 18th from 1:15pm-3:00pm. If you can come join us or send in goodies for our extraordinary students, please sign up at the following group by clicking [HERE](#). Help us celebrate this spectacular milestone!

The Back To School Event will be held August 23, 2014 12:30-4:00 PM at North City Elementary. There are many ways you can help out like donating school supplies, hygiene products, gently used children's clothing or by volunteering your time. For more information, please visit their website at www.btsconsortium.org.

We feel grateful and privileged to have worked along the side of so many wonderful, caring, and talented individuals who make up the Einstein Family. We wish the very best to those who will be continuing on to 8th grade, joining this community in 7th grade, and moving up into high school. Enjoy the summer with family and friends and look forward to what the next year will bring.

Thank you so much for all your phenomenal support!

Final PTSA Meeting

We will have an end of the year celebration on Tuesday, June 10th @ 6:30 PM at Jersey's. Please join us! If you have questions, please contact Janina Pacunski at einsteinsecretary@gmail.com.

Interactive Science Notebooks (INB)

Purchased through a grant provided by the PTSA.

Thank You!

“Thank you (and the entire PTSA) again for the grant you awarded me earlier this year. I cannot even begin to tell you how great it was to be able to provide more materials (colored pencils, highlighters, tape, etc.) to the students to use in their science notebooks. The students notice and appreciate when they have sufficient supplies and they love being able to go all out when creating work in their notebooks. Below are some student quotes about their notebooks and also some pictures of the work they created.”

Thank you!

Briahna Attebery
Science Teacher

“I like my INB because it is fun to use (relative to taking normal notes) and we get to personalize them in different ways. Some ways it helps me learn are the color coding, the different sections of pages (summary, Costa’s, notes, essential question) and the awesome processing pages.”

“My INB is really helpful. I learn a lot by using my INB. It’s good for organizing my notes and thoughts and I like the processing pages because you can reflect about what you learned.”

“The processing pages help because you can interact with the information.”

“I really like my INB because I can personalize my notes and organize them in a way I can understand them, it allows us to add color and express ourselves. Writing something down in my own words or drawing a picture of it really helps me to remember it.”

“Having more materials has been great because I have been able to make my INB more vibrant, colorful and fun.”

“Color helps me focus on things that are important and make sure it all stays together.”

“My INB helps me imprint what I learn into my brain.”

“Writing Costa’s questions and summaries helped me think more about the subject matter and drawing pictures helped me visualize it.”

“It’s great because it feels like we are making our own textbook.”

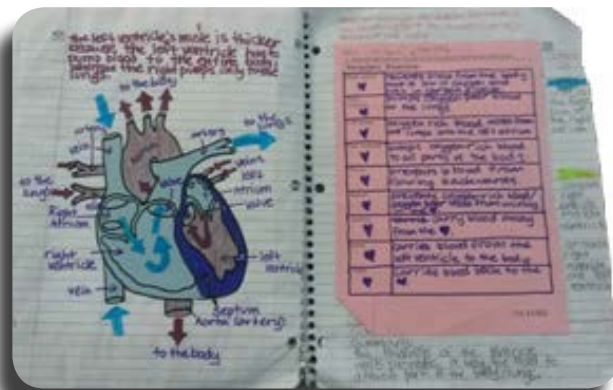

PTSA Grants 2013-2014

The Einstein PTSA raised \$7,500 in generous contributions from families, matching fund contributions through businesses, and our community. We would like to thank everyone that made donations to be able to provide the following opportunities to enrich our student’s education and provide additional support for programs:

- o Seattle Science Foundation Heart Dissection – 7th Grade
- o English Department STYLE Program- 7th Graders
- o UW & Shoreline Community College Field Trip – 8th Grade
- o End of Year Celebration Party – 8th Graders
- o Science Department Grant
 - Interactive Science Notebooks – School Supplies (see left)
 - Engineering Program – Water Bottle Rocket Launcher
- o Life Program Function Skills – Cooking
- o Read 180 Classes – Curl Up with a Good Book Comfy Chairs
- o Library Grant – 2 iPads
- o WEB Leaders Grant
- o Angel Fund
- o Binders Donations
- o Watch D.O.G.S. Program

These programs and grants for our students would not be possible without your support. **THANK YOU** for making a huge difference in the lives of our students and school.

Congratulation Einstein Track Team! Great Job! Over 200 Einstein students participated in track this year. On to the Championships June 5 at the Shoreline Center. Good luck!

... Sports cont'd

Football Skills Camp June 10-12

Hey 7th graders and future Einstein Tigers football players, are you ready for some football? Einstein will be having a 3-day (after school, 3:00- 4:00 PM), non-contact, football skills camp on the field to learn and get ready for the Fall season. This is a great way to learn about football, see what's expected, evaluate your own skill level, and learn what you need to do to succeed this coming school year. We promise a fun time with Coach Jason and Coach Gary learning how to play football safely and competitively. Sign up by Friday June 6th! Forms are in the office.

Shoreline Triple D Conditioning Camp

Can't seem to motivate yourself to work out? Needing to get in shape for a fall sport? Thinking about getting those six-pack abs you've always wanted? Looking for something to do this summer? If you answered 'yes' to ANY of these questions, then Triple D is for you! The 19th annual summer training/conditioning program is back again at the brand new Shorecrest weight room. Seven weeks of personal training and instruction for only \$70 and it's open to any Shoreline student entering grades 7-12. Pick up forms in the main office, or download them online from the Shoreline Secondary Athletic websites (click [HERE](#) for a link to the registration form).

Health

Joni Wishaar, MBA, BSN, RN, School Nurse

Life Threatening Conditions

The Legislature passed SHB 2834, Children with Life Threatening Conditions, which requires a medical treatment plan for students attending public schools with medical conditions that could be life-threatening. A life threatening condition is defined as "a health condition that will put the child in danger of death during the school day, if medication or treatment order and a nursing plan are not in place." Examples include severe asthma (has the child been hospitalized or visited the emergency room in the last year for treatment of asthma), diabetes and severe allergies (that would require administration of an Epi-Pen).

The statute requires the medical order and plan are in place before the child can attend school. The child will be excluded from school until the order from a Licensed Health Care Provider is obtained.

If your child has a life threatening condition, forms need to be completed each school year. Forms may be obtained from me. I will be available the week before school starts to formulate the care plan based on the Licensed Health Care Provider's order. If you have any questions regarding this requirement, please call me at (206) 393-4734.

Medication Pick-up

Prescribed, controlled medications, such as Ritalin or Dexedrine, that are administered at school need to be picked up before or by the last day of school. Over-the-counter medication and inhalers will be sent home with your child the last week of school. Any medication not taken home by the last day of school will be thrown out as medication cannot be stored at school over the summer.

LINES FROM THE LIBRARY

Anne Dame, Librarian

How is it possible that June is already here? As we wrap up the school year, here are some things to know about library hours, due dates, summer reading, etc.:

DUE DATE: All library materials are due on Friday, June 6th. Since that is the date of the final book club, please remember to turn in your book as well as your project. If you need us to make an exception, you must talk to Ms. Dame or Ms. Ching! All books must be returned and lost/damaged books must be either paid for or replaced before students will be able to get their yearbooks. If you have questions, please do not hesitate to contact us.

LIBRARY HOURS: Even though books must be returned by June 6th, and there will be no further checkouts after that date, the library will still be open for the usual times. As a reminder, we open at 8:00 AM and are open until at least 3:30 PM daily. We are also open throughout the school day and the second 15 minutes of each lunch. Feel free to stop by, play a game of chess, use the computers, chat quietly with your friends, ask for book recommendations, do research, etc.

SUMMER READING: The Richmond Beach and Shoreline librarians, Aarene Storms and Rick Orsillo, have collaborated with me and Ms. McAllister, the librarian at Kellogg, to create a book list with each of our top picks for summer reading. You will find action, mystery, graphic novels, non-fiction, romance, sports, and more on our list. Right now it is still under construction, but as soon as it is ready, I will post it on the library website. Also, Aarene and Rick will be here on June 10th and we will all present

to the classes that were able to sign up. There will be physical copies to distribute at that time and students who don't make it to the book talk can pick one of those up at their leisure.

RECOMMENDATIONS: Until the list is published, here are a couple books from the list I have read and enjoyed.

Boys in the Boat, by Daniel James Brown- This is the story of nine Americans and their epic quest for gold at the 1936 Berlin Olympics. The 9 young men are all University of Washington crew members. It is the story of their struggle during the depression, their unrelenting hard work, the political intrigues as the Nazi party came into power, and so much more. Inspiring non-fiction!

A Song for Bijou, by Josh Farrar- Alex is a 7th grader at an all boys Catholic school in Brooklyn. One day he spots a new girl at their sister school, St. Catherine's. Bijou is from Haiti and has come here to live with her aunt and uncle after the devastating earthquake in 2010. Alex attempts to befriend Bijou but her cultural upbringing is quite strict about interactions between genders. A sweet tale of friendship with an interesting look at the Haitian culture.

Thank you to the PTSA!

THANK YOU to the PTSA for the generous grant of 2 iPads for the library! We have already used the iPads with the WRITE Stuff club to film a table top movie using a script they wrote themselves. I can't wait to continue finding new uses for the iPads in the library with our students. Thanks again for your incredible thoughtfulness and generosity!

~ Anne Dame

Did You Know?

After poring through data from numerous labs and research centers around the world, Nina Kraus and her team came to realize how valuable music is in enhancing learning ability.

"The brain is unable to process all of the available sensory information from second to second, and thus must selectively enhance what is relevant. Playing an instrument primes the brain to choose what is relevant in a complex process that may involve reading or remembering a score, timing issues and coordination with other musicians," she explained.

Excerpt from: "Music trains the nervous system and improves learning ability." Thursday, July 22, 2010. Jonathan Benson, staff writer, *Natural Writer*. Click [HERE](#) to read the full article.

The Einstein Jazz Band

Our Einstein Jazz Band meets before school three days a week. Members play in a band, orchestra or choir class during the daily schedule and participate in Jazz Band as an extension of their playing experience. Being a member of Jazz Band is lots of fun and very rewarding. We learn to play jazz, rock and Latin music. We also learn to improvise, which is the ability to create a solo that fits in with the music that the band is playing. We perform at many Einstein, District, community and regional events and annually perform with Shorewood High's Jazz Band at their Big Band Dance.

This coming year we will meet on Tuesday, Thursday and Friday from 7-8:15am. Any members who are planning on joining Jazz Band, and are planning to take 0 Period PE, will need to get scheduled for PE during 2nd Semester. If you are planning to take 0 Period PE and want to join Jazz Band, please let Mr. Halferty know right away so that he can put you on the list of those who need 2nd Semester PE. You can contact him at: frank.halferty@shorelineschools.org

When 2nd Semester starts, Jazz Band Members will come to Jazz on Tuesday and Thursday suited for PE at 7am. Students attending PE class will go to 0 period PE directly from Jazz Band at 7:30am. Students not attending PE will be able to practice on their own or study until 1st period begins at 8:30am. On Fridays, during 1st and 2nd Semesters, we'll have Jazz Band from 7- 8:20am since no PE classes are scheduled on those days. Have a great summer and we'll look forward to starting Jazz Band first thing in the fall!

Please note: Community activities and events are included as a service to our families and students. These activities are NOT sponsored by the School District and the District assumes no responsibility for conduct or safety of the activities.
