

# JOIN EINSTEIN PTSA and GET CONNECTED! 2024-2025

Looking for a way to get connected, build community, and support Einstein Middle School staff and students for success this year? Support **Einstein Middle School Parent Teacher Student Association (PTSA)** today! Through our commitment to the academic, emotional, and social health of each and every student, the Einstein Middle School PTSA seeks to inspire awareness of equity and inclusion, respect for human differences, and advocacy for students, families and staff. We stand for a deep and abiding love of learning that is expressed through deliberate compassion and kindness toward each person and life on our planet.

There are **4 easy ways** to support our students, staff and community by connecting with the Einstein Middle School Parent-Teacher-Student Association (PTSA):

- 1 **JOIN:** Your membership is your voice and access to a powerful network of resources working to strengthen family-school partnerships and help advocate for every child. Please consider becoming a member and attending a monthly meeting, held in person and via Zoom. It's just \$15/individual, \$12 for staff and students.
- 2 **DONATE:** We have big plans this year to support student enrichment and community building opportunities, and your financial support will get us there. Any amount is greatly appreciated!
- 3 **VOLUNTEER:** We build community when we come together to support our school - opportunities abound to help out. Volunteers help build connections and support classrooms, brainstorm new ways to provide enriching experiences for the school community, and more!
- 4 **CONNECT:** Find information about activities and events through our website - [www.einsteinmiddleschoolptsa.org](http://www.einsteinmiddleschoolptsa.org) - on Instagram, and Facebook (Einstein PTSA) as well as the Parents of Einstein Students – Shoreline Facebook page. Members get information through a PTSA Newsletter, too!
